Mandatory SWIOT/SWEXIOT Group Project milestones

Autumn Semester 2022

Mandatory SWIOT/SWEXIOT project

- **Group work** (2-4 persons)
  - First four weeks of the course: building the idea for the group project
  - Group Presentation of the project idea in the 5th week
  - Group presentations both in the middle and at the end of the course
  - Mandatory Group presentations are total 3 times and they are a must.

- **Mandatory Project Delivery**
  - <u>Everyone must submit</u> an IoT project <u>as a group</u> at the end of the course
    - Report (mandatory) : Approx. 15 – 20 pages
    - Software (mandatory) : a zip file
    - Simulation Video: a zip file
    - Delivery as zip file in brightspace
      - A Zip file can be all in one (zip file in a zip)
      - Or if want to submit as multiple zip files, also ok

SWIOT/SWEXIOT Project Milestones

- **SWIOT/SWEXIOT project Idea** can be either:
  - Self-defined idea
  - Proposed idea
